Hi Biju,
I just wanted to say thank you for another lovely meal at your restaurant last night. Indian is my favourite food and my husband and I have always found your food to be good quality and delicious and the good thing about your restaurant is that the prices are not too expensive. And I always enjoy eating at your restaurant and look forward to our next visit.

Regards,
Lisa Woodbury

I meant to send you a note on Monday but got tied up at work.

We all had an excellent time on Saturday - the food was superb and there was plenty of it. The service by Ali was exceptional - he looked after us very well all night.

Everyone left intending to return again very soon.

Thank you for accommodating us so well - we will not hesitate to come back as a group - and I will not hesitate to come back with my wife now we have settled in the area.

Thank you all again.

Regards
Charles Whattam

Hello and thank you,

We ate there last Saturday night (and a number of times before that!); I found your food to be even more scrumptious than that at Nilgiri's, in St. Leonards.

See you again soon

Hello,

We went and had your Easter Banquet last night and it was great! Thank you for that.

Could I please make another booking for Friday 23rd April to celebrate my birthday for 4 people at 7.30pm? Could I please also reserve one car space for the night? The booking may change to 6 people and I will confirm closer to date.

Thank you, Jacinta Crabtree
